GKM Blowout summary August and September.xls

Joyce,

While preparing the 9/29/2015 RCMS draft I noticed an error on the burn sheet we have been sending. I apologize for not noticing this error sooner. There was a formula that did not get updated in my excel file when we added the latest amendment. Here is the updated file.

This matches the draft RCMS for 09/28/2015 sent yesterday with a total of \$2,313,227.69. Which showed us as 98.49% spent. We will need a modification based on this information.

Thanks,  
Becky
